Sea service – Coxswain Grade 2 (NC)

Sea service required for a Coxswain Grade 2 NC. The applicant must have at least:

- **7 days** qualifying sea service on commercial or recreational vessels, and a completed approved task book; or
- **60 days** qualifying sea service on commercial or recreational vessels.

Note: applicants completing task books **must** have them signed off by a qualified supervisor; this includes any tasks completed on a recreational vessel. Please refer to the Industry Guidance Notice Task Books at www.amsa.gov.au for further information.

Possible restriction - Coxswain Grade 2 (NC)

Restricted to daylight hours

A certificate will be restricted to daylight hours:

- if the person is colour vision deficient.

Endorsement - Coxswain Grade 2 (NC)

500 kW inboard propulsion power

A Coxswain Grade 2 NC can be endorsed to command a vessel with inboard propulsion power <500 kW if the person:

- completes the Certificate II, Coxswain Grade 1 NC engineering units of the Transport and Logistics Industry Skills Council Ltd maritime training package.

Note: the engineering tasks in the task book must be completed to be considered for the task book option for qualifying sea service.

Command a passenger carrying vessel

A Coxswain Grade 2 NC can be endorsed to carry passengers while in command of a domestic commercial vessel within the limits of a Coxswain Grade 2 if the person:

- Holds a certificate for the HLTAID003 unit of competency Provide first aid or another certificate that the National Regulator considers equivalent; and
- Completes 30 days' qualifying sea service on commercial vessels ≥5 m long while working in a deck, or deck and engineering, capacity on board, and a completed approved task book;

or

- 240 days' qualifying sea service on vessels ≥5 m long while working in a deck, or deck and engineering, capacity on board, of which all may be accrued on recreational vessels.

Note: Unless your certificate is endorsed to carry passengers, you cannot command a vessel carrying passengers.

Qualifying Sea Service and Task Books

Sea Service will be assessed using the National Standard for Commercial Vessels (NSCV) Part D, Crew Competencies.

Please note that the applicant must accrue at least half of the qualifying sea service required for the certificate in the 5 years before the application.

For further information on this document and access to additional information on qualifying sea service and task books please refer to the AMSA website www.amsa.gov.au

Final assessment

Candidates are required to undertake a final assessment conducted by a National Regulator approved assessor before being issued a certificate of competency.

Candidates who successfully complete all requirements for an NSCV Part D certificate of competency including the final assessment may request a temporary service permit in the form of a letter to allow them to operate immediately.

The criteria and competencies covered in a final assessment are included in the relevant tables of the 'Skills and Knowledge required for NSCV Certificates of Competency Part D Crew Competencies' document, which can be found on the AMSA website.

Application for Certificate of Competency

If lodging an application in person:

The applicant must complete and provide the information required by the Application for a Certificate of Competency (AMSA form 534).

Completing this form and providing the information required will help the applicant demonstrate he or she meets the eligibility criteria for the issue of the Certificate of Competency (set out below).
